

Welcome to Robin  
and Wren classes

This is Mrs Halawa, Wren Class teacher.

This is Mrs Blackaby, Robin Class teacher.

Mrs Brailey and Miss Bell are the teaching assistants in Reception.

We enter the Reception area through the gate.

We say goodbye to our grown-ups at our classroom doors.

Robin classroom door

Wren classroom door

Both classes have a carpet area where we will have our whole class learning.

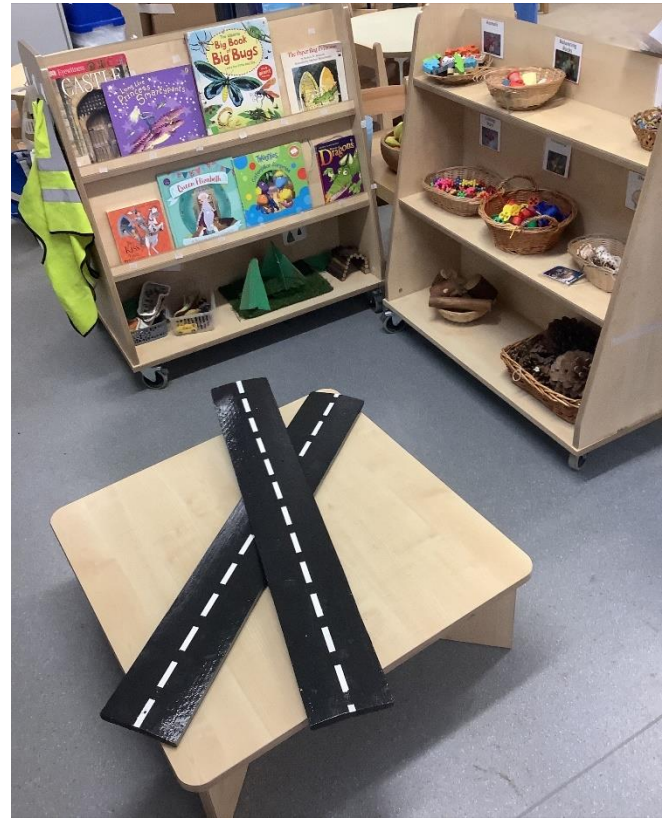

Robin's carpet area

Wren's carpet area

We can play and learn across both classrooms during 'free flow' time.

Robin Classroom:

Wren Classroom:

Our outside area:

We keep our wellies on the wellie rack, so we have them for when it is wet and when we do Forest School.

Each class has its own set of toilets.

This is the hall where we eat our lunch.

After we have finished our lunch, a grown up takes us to the KSI playground to play.

We also use the hall for some of our PE lessons.

Sometimes we use the MUGA (Multi-Use Games Area).

We hope you enjoy looking at this booklet  
as you get ready to come to Gamlingay  
Village Primary School.

We are looking forward to meeting you  
and starting our learning journey together.
